

**La Canasta "Estilo Casero / Homestyle" Flour Tortillas** are made with the same Original Hand Stretched Recipe developed in 1962. They are made on a Heat Pressed Tortilla line and have a thinner more flexible texture for easy handling and less breakage. Golden cook marks are baked through out the surface enhancing the flavor of our Home-made tasting tortilla. You will receive consistent quality product so that you can make

**La Canasta "Heat Pressed" Flour Tortillas** are thicker to withstand heavy fillings and have a higher moisture content that creates a fluffy and durable Tortilla. They are seared on the exterior surface during the cooking process, which captures and seals the moisture inside the tortilla, thus creating a softer, thicker Flour Tortilla.

**"Authentic Bakery Fresh"**

**Our "Whole Kernel Corn Tortillas"** are still cooked from scratch and steeped for several hours to absorb the rich corn flavor. We grind the kernels using the old fashioned stones that are hand carved for the perfect grind and consistency required to make authentic corn tortillas.
